## Best Practices

### 7.2.1: Two best practices successfully implemented by the Institution

The institution has promoted student centric environment where students are mentored and guided to be achievers in lives through certain best practices.

#### BEST PRACTICE-1

##### HOLISTIC DEVELOPMENT:

The college has been providing various opportunities to the students for all round development so that they become efficient citizens of the country and contribute to the nation building. The institution carries out various programmes and practices in order to promote physical, mental, emotional, intellectual and spiritual development of the students.

**1. Physical development:** For the physical development of the students the institution has provided ample scope to get involved in various indoor and outdoor sports and games.

- A large play ground with a cricket pitch, a football ground, a volley ball court and a basketball court is available for the use of students. Students also keep themselves engaged in other athletic games
- An indoor stadium with three badminton courts and a table tennis board.
- A unisex multi-gym as a fitness centre which also helps in stress relieving
- A yoga centre for practicing yoga to keep oneself mentally and physically fit
- Competitions for various sports events are organized during the annual college week to develop the competency of the students and make a career choice.
- The NCC cadets regularly undergo rigorous physical exercise and training to keep themselves fit to serve the country in difficult times.

## 2. Mental wellbeing:

Initiatives have been taken by the institution to make students aware about the sound mental wellbeing to live a happy life.

- A counselling centre has been set up to provide counselling on mental wellbeing of the students of Darrang college. Department of Psychology has been conducting the counselling sessions.
- Course on Soft Skill and Personality Development and Workshops and Seminars on soft skill and life skill have been arranged on regular basis. Such course and seminars are arranged with an aim to equip the students with confidence-building, personality development, stress-management etc.
- Talk on How to Deal with Examination Related Stress and Anxiety was organized by department of Zoology, Darrang college.
- Counselling program on Soft Skills, career Planning and Opportunities on Higher Education was organized by the Department of Commerce.

The **Centre for Performing Arts** has been set up to provide training on Music, Sattriya dance and Flute playing. This centre has given opportunity to the students to relax themselves through artistic pursuit. It also helps to nurture their talent, develop aesthetic sense, and a hobby.

## 3. Intellectual development:

The institution has created a vibrant academic environment to make the students grow academically and intellectually by developing critical thinking and logical understanding to make a brilliant career in future.

- Apart from Classroom teaching and interaction the students are allowed to participate in Group Discussion, Seminar presentation, quizzing etc.

Efforts are on to provide additional benefits to the students by offering Certificate Course/Add on Course. The interdisciplinary nature of these additional course make student intellectually fertile.

- To enhance the learning experience the institution has a central library with 71889 no of books, 12 no of Journals,13 daily and weekly Newspapers, 1,99,500 e-books from INFLIBNET,6000+ e-journals from INFLIBNET and 6,00,000 e-books through NDL and digital facilities for students.
- Darrang College Civil Services Study Centre was set up to provide reading materials and training from time to time. Interaction with retired civil servants and distinguished personality motivate the students.
- Field Study and Project work done by the students help in developing critical thinking and generating innovative ideas and building team spirit. Individual teachers use innovative practice to make the classes interesting and useful. All efforts are made to make the classes relevant to the present the society.

## 4. Moral, Ethical and Spiritual wellbeing:

The institution has taken care of to instil moral, ethical and spiritual values in students so that they go out with certain values which would help them to become good human beings and influence others. Department of Philosophy, Education, Sociology, Sanskrit organize talk on such topics to motivate them to become a complete being.

## **BEST PRACTICE 2:**

### **COMMUNITY ENGAGEMENT:**

The college has encouraged the students and faculties to get engaged in community service to uplift the condition of the needy and underprivileged. Thus, the institution can make an impact on society being helpful and useful. With that purpose the College adopted a village, Bahbari, Dekachuburi, 20 km away from the institution. The Institution has conducted a socio-economic survey in the village to map the status of the villagers to take some developmental measures. Similarly, a survey on flood hazards was also conducted to understand the cause and suggest preventive measure to the authority.

#### **1. COMMUNITY OUTREACH SERVICE AT ADOPTED VILLAGE:**

##### **1.1 Awareness programme on health issues**

The Internal Quality Assurance Cell has organized an Awareness Programme on Health and Hygiene in the adopted village to make them aware about the health issues and the preventive measures. Sanitary items like soap, sanitary pad, toothpaste and tooth brush were distribute among the villagers.

The NSS team of Darrang college in association with Youth Red Cross organized a health camp for the villagers after the outbreak of flood in the month of May in 2022. Department of Zoology arranged a health awareness and blood testing camp in the village with the help of Govt Medical Officers. Darrang College Chemical Society organized an awareness programme on “Waterborne Diseases and Their Preventive Measures” in the village.

##### **1.2 Celebration of significant Days in the village:**

World Environment Day was celebrated in the village by planting trees and distributing saplings among school children. International Day of Girl Child was celebrated in the village to make them aware about the importance of girl child. Children’s Day was celebrated in the BahbariDekachuburi Primary school

Mushroom cultivation training: A Training programme on Mushroom cultivation was organized to train the villagers of adopted village in 2023 to make the economically empowered.

#### **2. COMMUNITY SERVICE IN OTHER FIELDS:**

##### **2.1 Village Science fair:**

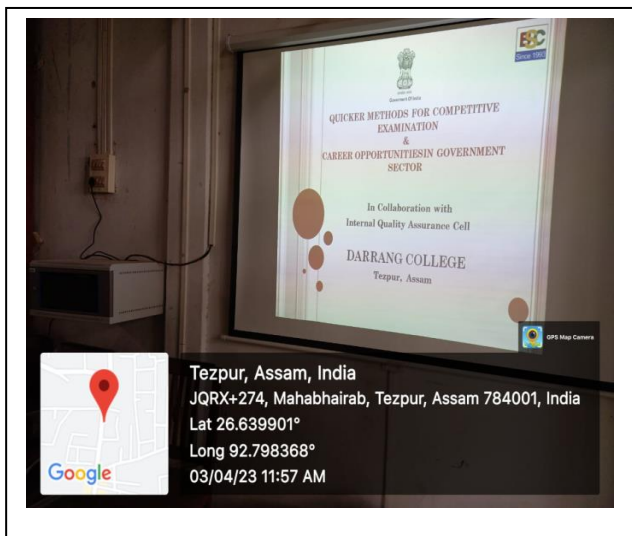

The College organized a two-day village Science Fair in association with Assam science society, Tezpur in Tezpur Chariali Girls H.S. School. The Science Fair was held to eradicate superstitious beliefs of the people.

## Darrang College observes Constitution Day

**CHRONICLE NEWS SERVICE**

**TEZPUR:** The spirit of democracy and constitutional values came alive at Darrang College, Tezpur as the Department of Political Science observed Constitution Day also known as National Law Day to commemorate adoption of the Constitution of India with a range of multiple events and activities on Sunday in collaboration with IQAC and NSS cell of the college.

It is to be noted here that On November 26, 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on January 26, 1950.

The meeting started with a thought-provoking lecture on the phase of the making of the Indian constitution by invited guest Dhartiiri Sarma, faculty of law college, Tezpur. Her speech was concluded by collective recitation of the Preamble to the Constitution, emphasizing the shared commitment to justice, liberty, equality, and fraternity.

Dr Kankan Deka, faculty

**EASTERN CHRONICLE**  
 27th November

of the department of History was present as the resource person in the programme. While delivering his speech he emphasised on the Rule of laws and the need of the constitution. He also commented that Constitution Day is not just a celebration, it is a reaffirmation of commitment to the principles that guide the nation in every dimension. The Constitution is founded on two premisses: democracy and rule of law ensuring their survival only by supporting and complementing each other. Without democracy, there would be autocracy, he said. He also appealed to the gathering to remain always aware of any possible attacks on the constitutional values.

AS a part of the programme students of the college Aditya Ankur Nath, Kabayashree Mahanta and Himanshu Borah participated in the interactive session with the guests.

The meeting was attended by the office bearers, teachers and students of the college was moderated by the HOD, department of Political Science Manash Jyoti Patgiri and concluded with a vote of thanks offered by student Rimlee Bordoloi. The faculty of the department of political science Bhaskar Joyit Pegu and Anardeep Pegu were also shouldering different responsibilities during the meeting.
