## Institutional Distinctiveness

### 7.3.1: Performance of the Institution in one area distinctive to its priority and thrust

The motto of the college inspires both the students and teachers to excel in pursuit of knowledge and skill maintaining the sanctity and dignity of an old prestigious college on the North bank of the river Brahmaputra. The institution has completed 78 years of glorious existence which has strong alumni base to contribute to the growth of the institution.

- Upholding its vision and mission, the institution has always been striving to make the best human resources, equipping them with knowledge and skill to meet the 21st century challenges. Students are trained throughout the course to be qualified and efficient in different fields to contribute immensely for the progress and development of the society and country. Hence holistic development of the students is given priority focussing on different dimensions.
- Academic and Intellectual activities: the institution is offering some courses which are not available in the nearby colleges. The 26 Departments are offering 33 programmes both in UG and PG level. Moreover, the institution has also introduced Certificate and Add on courses to make students learn beyond usual course and make them more efficient. To encourage research activity at the undergraduate levels the authority has published the project works of the students. The field trip and excursion or educational tour are encouraged to give exposure to our students for experiential learning.
- The result of the college has been consistently outstanding with many gold medallists. Several Trusts have been presenting Academic Excellence Award to the best graduates to encourage students for academic pursuit. The fourteen trusts offer gold medal, citation, certificate and cash award to the best graduates in each stream every year. These awards are given on the Foundation Day of the college.
- The institution has created an academically vibrant environment where activities like Seminar, Workshop, Talk etc are regularly organized for the benefit of the students.
- Physical wellbeing of the students is taken seriously by the college authority. College has provided facilities for games and sports to the students. A big playground with a cricket pitch, a football ground, a volleyball court and a basketball court are catering to the needs of the thousands of students to play and stay physically and mentally fit.
- An Indoor stadium with three badminton courts and a Table Tennis Board is providing opportunity to the students to play and hone their skill for excellence.
- Different sports competitions are held during the Annual College Week. The College week gives a platform to our students to develop their competency and make a career choice.

- The unisex College Gymnasium is providing opportunity to the students to maintain their physical wellbeing relieving stress.
- Along with physical well-being mental well-being or sound mental health of the students is also taken care of by the institution. Mental health counselling is done for the students for the issues related to stress and anxiety, fear of examination, depression etc. by the psychology Department. Awareness campaign against suicide was carried out by making posters by the students and carried out the message loud and bold to prevent suicide.
- The Yoga Centre of the College is giving opportunity to the students and faculties to practice yoga for balancing physical and mental wellbeing.
- Literary activities: The College provides platform to the students to develop their literary skill. A college magazine “Darrangian” is published every year where students having literary acumen get opportunity to publish their literary works. Moreover, all the Departments have their Wall Magazines to publish the writings of the students of the Departments.
- Various literary competitions like essay writing, poem writing, short story writing, love letter writing etc are held during the college week to nurture their talents and to develop the sense of competition to strive for excellence.
- Department of English encourages students to hone creative writing skill by publishing students’ writing in a journal named “Foliage”.
- Department of Assamese publish a hand written magazine with the writings of the students. Of late the Assamese Department has published an e-magazine “EKSHYAN”.
- Department of Political Science conducts a practice which is literary as well as intellectual. The students are asked to present book reviews after reading a given book. The planning is going on to publish the reviews of many years.
- Artistic pursuit: The institute has started a Centre for Performing Arts to give opportunity to the students to develop their skill in Sattriya dance, singing and flute playing. This engagement can give them aesthetic pleasure and help them in developing hobbies. Students can relax themselves being free from the stress and anxiety.
- Recitation of poem is a part of performing art now a days. Recitation competition is regularly held in college week. Moreover, poetry recitation is always included in cultural programmes held in the college to encourage the students. Recitation competition on poems by Gyanpith Award winner Assamese poet, Nilamoni Phukan was organized by Darrang College Women’s Forum
- Art and Craft Centre was formed under the aegis of Community Science Department to develop the skill of the students to make artefact of their choice. The Exhibition cum Sale of artefact, traditional cuisine and other items was organized to provide a platform to the students to sell their products This has helped in confidence building of the students and they also got the idea about marketing strategy.
- Life skill: The NCC wings of Boys and Girls of the college are undergoing life skill training. The NCC cadets undergo rigorous physical training to keep themselves physically fit and agile to serve the country in difficult times. Through the NCC units the institution has given opportunity to the young students to inculcate discipline and develop the sense of patriotism.
- The NSS Unit of the college is inspiring students to get involved in selfless service to the people and the country in times of need apart from the regular service they offer.
- Counselling programme for students are arranged to give them certain skills for personality development by the Psychology Department.
- Students having interest in photography are also encouraged by arranging Photography competition and Exhibition to develop the skill.

## Darrang College observes Constitution Day

**CHRONICLE NEWS SERVICE**

**TEZPUR:** The spirit of democracy and constitutional values came alive at Darrang College, Tezpur as the Department of Political Science observed Constitution Day also known as National Law Day to commemorate adoption of the Constitution of India with a range of multiple events and activities on Sunday in collaboration with IQAC and NSS cell of the college.

It is to be noted here that On November 26, 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on January 26, 1950.

The meeting started with a thought-provoking lecture on the phase of the making of the Indian constitution by invited guest Dhartiiri Sarma, faculty of law college, Tezpur. Her speech was concluded by collective recitation of the Preamble to the Constitution, emphasizing the shared commitment to justice, liberty, equality, and fraternity.

Dr Kankan Deka, faculty

**EASTERN CHRONICLE**  
 27th November

of the department of History was present as the resource person in the programme. While delivering his speech he emphasised on the Rule of laws and the need of the constitution. He also commented that Constitution Day is not just a celebration, it is a reaffirmation of commitment to the principles that guide the nation in every dimension. The Constitution is founded on two premises: democracy and rule of law ensuring their survival only by supporting and complementing each other. Without democracy, there would be autocracy, he said. He also appealed to the gathering to remain always aware of any possible attacks on the constitutional values.

AS a part of the programme students of the college Aditya Ankur Nath, Kabayashree Mahanta and Himanshu Borah participated in the interactive session with the guests.

The meeting was attended by the office bearers, teachers and students of the college was moderated by the HOD, department of Political Science Manash Jyoti Patgiri and concluded with a vote of thanks offered by student Rimlee Bordoloi. The faculty of the department of political science Bhaskar Joyit Pegu and Anardeep Pegu were also shouldering different responsibilities during the meeting.
