

Course on Soft Skill and Personality Development

Soft skills are essential for professional growth. Soft skills such as interview skills, decision-making strategies for choosing career path, emotional intelligence and communication skills are important components of career development. In order to develop these skills among the students, Career Guidance Cell of Darrang College has started a course on Soft skill and Personality development from 18th of October, 2022 to 18th of November, 2022. A total of 89 students attended the course from various departments of the college.

Course on Soft Skill and Personality Development

The institute strives to provide the necessary skills to its students to prepare them for the job market. Soft skills are practical indicators of a candidate's ability to collaborate, communicate and contribute positively to the workplace. As such the Career Guidance Cell of Darrang College has been training its students for developing their soft skills and personality to enhance their career growth once they go out of the institute. Already three batches of students completed the course. The 4th batch of students also enrolled for the course which started on 1st of June, 2023 and came to a close on 1st of July, 2023.

NAME OF THE STUDENT
Jumi Biswakarma
