

Programme on Soft Skill and Personality Development

Soft skills are essential for enhancing success at the work place. They play a vital role to enhance our communication, collaboration and develop a healthy professional relationship. As part of the mission of the institute to develop employability skills amongst the students, regular courses are given to the students on soft skills and personality development by the Career Guidance Cell of the college. In total 249 students in two batches completed the course. The course in two batches started from 14th November, 2022 and was completed on 14th December, 2022.
