North East NSS Festival 2023 was organized by NSS Cell, Gauhati University, Assam in association with Ministry of Youth Affairs & Sports, Government of India and Regional Directorate of NSS, NER, Guwahati.

The camp was organized for 5 days started from 31st of March to 4th of April 2023. The morning session started with Yoga sessions from 5.30 AM onwards. We have met all the tribal volunteers of North East in that camp. I was happy to meet many volunteers from Nagaland, Tripura, Arunachal Manipur, Meghalaya, Assam, and Mizoram. I learned a lot in these 5 day camp. I had a very good experience. It's so nice. I have learned so much in these five days. From the time I get up in the morning until I go to bed at night and being aware of all situations was a good experience for people. I really enjoyed all the sessions conducted there. I especially enjoyed the Session by Ratna Singh Bhardwaj Ma'am. I hope to see her again in the future. I would like to take this opportunity to give a lot of thanks to Dr Rituparna Borah Sir for his valuable efforts in putting together such an outstanding event. Thanks to his vision, passion and commitment. We were able to have a truly unforgettable experience. Thank you so much to all the

volunteers of the Gauhati University NSS Cell, Guwahati.
Thank you so much everyone.
