Tree Plantation on 23/07/2022

On July 23rd, 2022, Darrang College NCC organized a 'Tree Plantation' program at the college campus, where they planted five saplings. The event was participated by cadets of Darrang College and the ANO. The primary goal was to raise awareness among the cadets and students about the importance of planting trees to preserve the environment and create a greener, cleaner earth.
