

SEMINAR REPORT

TOPIC: CONCEPT OF NMR AND RESEARCH METHODOLOGY

SPEAKER: DR. KUSUM K. BANIA

DETAILS

DATE: 23/03/2018

TIME: 10 AM -12 NOON

VENUE: DEPARTMENT OF
CHEMISTRY

ATTENDEES

ORGANIZER: DEPARTMENT OF
CHEMISTRY

ATTENDEES: 6TH SEM (M) STUDENTS
& FACULTY MEMBERS OF
CHEMISTRY DEPARTMENT.

EVENT: TALK BY VISITING FACULTY

SUMMARY: A talk on “Concept of NMR and Research Methodology” was held on 23/03/2018 at 10 AM in the Department of Chemistry which was delivered by Dr. Kusum K. Bania, Assistant Professor, Department of Chemical Sciences, Tezpur University.

The key highlight of the seminar is listed below:

- Understanding basic NMR Principles
- Understanding its applications in chemical analysis, structure determination
- Research Methodology in Chemistry
