Minutes of the Meeting

Date: 31-07-2025

**Board of Studies (BoS), for the Department of Geography
Darrang College (Autonomous)
Mode: Online through Google Meet**

At the onset of the meeting, the Chairman of BoS, Dr Hemantajyoti Nath, welcomed all the members and introduced internal BoS members to external BoS members. The meeting began with the introducing of curriculum for the FYUGP semesters by Niha Dutta, Departmental member of BoS. Dr Satyendra Hazarika, Departmental member of BoS, introduced the syllabus prepared by internal BoS members. Gulap Sonowal, Departmental member of BoS presented the B.A./B.Sc /Major/Minor/SEC syllabus of 1st & 2nd semester. All the members were actively taking part in the meeting.

The following are the points of discussion:

1. The basis of proposed Program Objective (PO) & Course Objective (CO) should clearly be mentioned. More PO points to be added which should be based on all the papers available for all the semesters.
2. Syllabus of all the semesters should be prepared for proper Mapping.
3. Course level reflected in each Paper Code should have uniformity & uniqueness for all the subjects offered by the institution.
4. Name of the subject be included on the first page of the syllabus, e.g. B.A/B.Sc FYUGP in Geography
5. It may be appropriate by using the term “spatio-temporal variation” instead of “spatial inequalities”.
6. The word “PRACTICAL” should not be there in the break-up of marks/credit points in the Papers where there is no practical component.
7. It may be appropriate by indicating the topic as “Internal Structure and composition of the earth” instead of “Internal Structure of the earth based on Seismic evidence”
8. Distribution of marks should be omitted from the syllabus.
9. There should be an outline of the syllabus at the beginning.
10. Regarding inclusion of the “Concept of Uniformitarianism” in the syllabus, it may not be appropriate for the UG 1st semester level students. However, if retained, it should include “the system concept” and “Threshold” etc. for better conceptual clarity.

N.B: The above 10 recommendations of honourable external members are included in modified syllabus, which have been attached herewith as Annexure I.
