EXTRACT OF THE BOARD OF STUDIES MEETING

A meeting of the Board of Studies (BoS) for the Department of Physics was convened on June 22, 2026, at 11:00 AM in the Department of Physics. The session was conducted in a blended mode (combining both offline and online participation) under the chairmanship of Prof. Manoj Kumar Sarma, Head of the Department.

The BoS meeting was convened to discuss the following agendas

- Review, discussion and finalization of the curriculum and syllabus for the B.Sc. Physics Semester III program, encompassing course outcomes, program outcomes, and designated text and reference materials with due incorporation of recommendations and suggestions.
- Discussion on curriculum and syllabus of a certificate course on Semiconductor technologies.
- Consideration of a Memorandum of Understanding (MoU) to be executed with Assam Skill University, Mangaldai, Assam.
- Proposal for the induction of two new members into the Board of Studies.

After detailed discussion on the above agendas, the following points were noted and the resolution was passed.

1. It was observed that the Semester III syllabus has been meticulously designed in strict adherence to UGC guidelines and the National Education Policy (NEP) 2020. The curriculum structure is deemed appropriate, aligning well with the syllabi of national-level entrance examinations, and offers comprehensive, self-sufficient content for undergraduate scholars.
2. The members reached a consensus to introduce a six-month, skill-based certificate course in Semiconductor Technologies. However, it was determined that the proposed syllabus and curriculum require substantial revisions to ensure the program adequately enhances the employability of enrolled students.
3. The committee recommended that an MoU be formalized with Assam Skill University, Mangaldai, to secure essential laboratory exposure and practical facilities for students enrolled in the proposed certificate course.
4. The board agreed upon the induction of two new members to the BoS, Department of Physics, Darrang College (Autonomous), Tezpur. The proposed members are Mr. Prasanta Das (Entrepreneur) and Dr. Mriganka Gogoi (Assistant Professor, Assam Don Bosco University).

Resolution No.: PHY/BoS/26/01

The BoS unanimously resolved to approve the following

- i. Proposed FYUGP 3rd Semester syllabus.
- ii. Inclusion of the two afore-mentioned new members into the Board of Studies.

(Prof. Manoj Kumar Sarma)
Chairman
Board of Studies
Department of Physics
Darrang College (Autonomous), Tezpur
