Time ; 11.00 A.M

Venue: Department of Psychology Darrang College

Meeting of the Board of Studies, Department of Psychology was held to discuss and approve matters related to curriculum development and academic planning.

Agenda:

1. Confirmation of the minutes of the previous meeting
2. Preparation and approval of syllabus for all semesters
3. Proposal for opening a new Postgraduate (PG) course
4. Any other matter with the permission of the Chair

Proceedings of the Meeting:

Confirmation of Previous Meeting Minutes

The minutes of the previous Board of Studies meeting were read and confirmed by the members without any modification.

Preparation and Approval of Syllabus

1. The Board deliberated in detail on the revision and enrichment of the syllabus across various semesters. After thorough discussion, the following resolutions were unanimously approved:
2. It was resolved to incorporate new theories of memory in Unit III of the First Semester syllabus.
3. The topics Hypothalamus and Pancreas shall be included in the Biopsychology paper.
4. Artificial Intelligence shall be introduced into the Cognitive Psychology syllabus, and the Perception component shall be upgraded to an advanced level.
5. The Experimental Method shall be included in the Psychological Research paper of the Fourth Semester.
6. The topic Lifestyle Disorders shall be incorporated into the Fifth Semester syllabus.
7. The Eighth Semester syllabus shall be revised to include recent developments in psychology, with special emphasis on Fourth Wave, community-based approaches.
8. Ethical issues in psychology shall be comprehensively integrated across all relevant papers and semesters.

9. The revised syllabus was unanimously approved by the Board and recommended for implementation as per academic regulations.

Proposal for Opening a New PG Course

The proposal for opening a new Postgraduate course in Psychology was placed before the Board. After careful consideration of academic relevance, scope, and feasibility, the Board unanimously approved the proposal and recommended it for further necessary approvals as per university norms.
