16/3/2026

A meeting was convened on 16/03/2026 to discuss various activities to be undertaken in immediate future. The meeting focused on curriculum 10 with an emphasis on skill development initiatives. It was resolved to introduce monthly innovative practices and to set specific IQAC targets on a monthly basis. The members discussed the identification and implementation of innovative best practices. A training programme on MOOC course development, with a resource person from KKHSOU, was also proposed. Additionally, the observation of Earth Day was proposed in the meeting.
