Date:- 01-03-2023

**NOTICE**  
**IIRS OUTREACH PROGRAMME**

This is to notify that ISRO announce free online course in the field of Remote sensing, GIS and GNSS technologies and their application.

IIRS outreach programme focuses on strengthening the Academia and User segments in space technology and its application using online learning platform.

Under this programme the two mode of content delivery system is developed using online learning platform (i.e.) Live and Interactive mode (known as EDUSAT) and e-learning mode.

It is happy to inform you that our institution is now network of IIRS outreach programme.

I hereby asked students of undergraduate and Post graduate in the Department of Geography to register in given website:

<https://elearning.iirs.gov.in/> for participating in given course.

Other department of students can also join the programme if they have the basic knowledge on Remote sensing, GIS and GPS.
