ONE-DAY NATIONAL LEVEL STUDENT SEMINAR ON SUSTAINABLE DEVELOPMENT GOALS: ROLE OF YOUTH

Date: 25th April 2025

Circular cum Invitation

Organized by:

**IQAC & IIC, Darrang College,
Tezpur, Assam**

VENUE: DARRANG COLLEGE, TEZPUR

ABOUT DARRANG COLLEGE

Darrang College was established in 1945 by the people of Tezpur and was permanently affiliated to Gauhati University in 1953. With the motto "*Be a Jewel Among Men*" it has been striving for the fruitful dissemination of knowledge to its students in the Arts, Science, and Commerce streams, with the solemn goal of making them worthy citizens of the country. The College has been re-accredited in the year 2024 (4th cycle) with a grade of ' B++ ' by the National Assessment and Accreditation Council (NAAC). Recently, the college has received ISO certification in two different categories (ISO 9001:2015-Quality management systems and ISO 14001:2015-Environmental management systems).

ABOUT THE SEMINAR

The One-Day National-Level Student Seminar on Sustainable Development Goals (SDGs) aims to provide a dynamic platform for undergraduate and postgraduate Indian students to engage in meaningful discussions on global sustainability challenges. This seminar will explore the 17 SDGs set by the United Nations, encouraging students to present innovative ideas, research insights, and practical solutions. Through interactive sessions and knowledge-sharing, participants will gain a deeper understanding of how they can contribute to a more sustainable and equitable world. Join us in this collaborative effort to drive positive change and build a better future for all.

SUB-THEMES OF THE SEMINAR

1. No Poverty – Strategies to eradicate poverty in all forms.
2. Zero Hunger – Solutions for global food security and improved nutrition.
3. Good Health and Well-being – Innovations in healthcare and well-being.
4. Quality Education – Enhancing equitable and inclusive education.
5. Gender Equality – Promoting women's empowerment and equality.
6. Clean Water and Sanitation – Ensuring access to safe water and sanitation.
7. Affordable and Clean Energy – Renewable energy solutions for a sustainable future.
8. Decent Work and Economic Growth – Economic opportunities for inclusive development.
9. Industry, Innovation, and Infrastructure – Sustainable industrialization and innovation.
10. Reduced Inequalities – Addressing disparities in society.
11. Sustainable Cities and Communities – Creating resilient and inclusive urban spaces.
12. Responsible Consumption and Production – Promoting sustainable resource use.

13. Climate Action – Tackling climate change through innovative solutions.
14. Life Below Water – Marine conservation and ocean sustainability.
15. Life on Land – Protecting biodiversity and natural habitats.
16. Peace, Justice, and Strong Institutions – Strengthening governance and justice.
17. Partnerships for the Goals – Collaborative efforts for sustainable development.
