

TREE PLANTATION

Tree Plantation on 23/04/2023

Emphasizing the importance of tree planting in mitigating climate change, conserving biodiversity, and improving air quality, the Darrang College NCC under Assam BN NCC conducted a 'Tree Plantation' program on 23/04/2024 at Padum Pukhuri, Tezpur. During this event, five saplings were planted. This initiative aims to draw public attention to the importance of preserving trees and plants for future generations.
