

BLOOD DONATION

Blood Donation Camp on 15/06/2023

On June 15, 2023, the 5 Assam Battalion NCC in Tezpur organized a 'Blood Donation' drive in collaboration with the Blood Bank at Kanaklata Civil Hospital. During this event, 12 dedicated cadet volunteers from Darrang College selflessly donated blood. The initiative aimed to raise awareness among cadets and the public about the noble act of blood donation and its critical role in saving lives during emergencies. Additionally, the drive sought to increase the blood bank's reserves.
