

AZADI KA AMRIT MAHOTSAV CAMPAIGN

Cadets participated in Azadi Ka Amrit Mahotsav campaign on 08/07/2023

On July 8, 2023, 16 cadets from Darrang College under the 5 Assam Battalion NCC participated in an "Exhibition Cum Interaction Session" organized by the Defence Research Laboratory (DRL) of DRDO in Tezpur, as part of the Azadi Ka Amrit Mahotsav celebrations. The exhibition featured DRL's recent advancements, including new products and technologies aimed at enhancing combat efficiency during jungle operations, surveillance and management of vector-borne diseases, water quality improvement, and human waste management at high altitudes. During the interaction session, cadets and other participants were informed about DRL's research areas and collaborations with other DRDO units and academic institutions to develop technologies for the Armed Forces, tailored to the diverse climatic conditions of Northeast India. Several products and technologies showcased are also beneficial to paramilitary forces, police forces, and civilian populations.
