My Bharat PortalRegistration, 2025

16-05-2025

Venue:
DarrangCollege,
Tezpur

Time: 01:00 pm

Date: 16-05-2025

An awareness programme on “My Bharat Portal Registration” was organised by NSS Unit Darrang College, Tezpur, with the aim of guiding students through the registration process and familiarising them with the opportunities offered by the portal. The session brought together students, volunteers and faculty members who were eager to understand how the platform supports youth engagement and national development.

The programme began with a brief introduction by the Programme Officer - Mr. Satyadip Gowalla, who explained the purpose of the My Bharat Portal and its role in connecting young people with various government initiatives, volunteer activities and skill-building programmes. They highlighted how the portal serves as a bridge between students and national-level opportunities that can help them grow personally and professionally.

A video demonstration was conducted to show the step-by-step registration process. Students learned how to create their profiles, update necessary details and explore the different sections available on the portal. The resource persons emphasised the importance of authentic information and encouraged students to stay active on the platform to receive timely updates.

During the interactive segment, students asked questions about internships, volunteering options and career-oriented programmes listed on the portal. The speakers addressed each query clearly, stressing how the portal can help young people contribute to community development while strengthening their own skills.

The programme ended with a vote of thanks, acknowledging the organisers, faculty coordinators and participants for making the event effective and informative. Students expressed that the session helped them understand the portal’s usefulness and motivated them to register without hesitation.

Overall, the awareness programme was practical, engaging and well-received. It guided students toward a platform designed to empower youth and encourage active participation in nation-building.
