Swatchata Hi Seva (SHS) Campaign, 2025

Time: 03:00 pm

The NSS Unit of Darrang College (Autonomous), in collaboration with the Internal Quality Assurance Cell (IQAC), organized a "Swachata Hi Seva (SHS) Campaign" on 25th September 2025 under the theme "Swachhotsav". The program was conducted inside the college campus from 3:00 PM to 4:00 PM, under the guidance of Dr. Palash Moni Saikia (Principal), Dr. Sweta Mahanta (IQAC Co-Ordinator), and Mr. Satyadip Gowalla (Program Officer, NSS).

The campaign aimed to promote cleanliness and social responsibility through the active engagement of teaching staff, non-teaching staff, students, and NSS volunteers of the college in field-based activities.

A total of 48 NSS volunteers enthusiastically participated in the campaign. The session began with an address highlighting the objectives of the initiative and the significance of the NSS motto in fostering civic responsibility. Volunteers were divided into groups and assigned specific areas of the campus to ensure maximum efficiency.

The participants carried out their duties with dedication and teamwork, guided by senior volunteers. Their combined efforts not only enhanced the cleanliness and overall appearance of the college campus but also instilled in them the values of responsibility, discipline, and collective action.

The campaign concluded with an acknowledgment of the contributions of all volunteers, teaching and non-teaching staff. The collaborative initiative reinforced the importance of sustaining cleanliness drives as a regular practice and promoted awareness of social responsibility among the student community.

In essence, the "Swachata Hi Seva Campaign" proved to be both productive and inspiring, effectively translating the spirit of "Not Me, But You" into meaningful action.
