On 31 October 2025, the NSS Unit of Darrang College (Autonomous), in collaboration with the IQAC of the college, organized a talk as part of the Sardar@150 Unity March programme. The session was delivered by Rainy Saikia, Assistant Professor in the Department of Political Science, who spoke on the importance of national unity and the values championed by Sardar Vallabhbhai Patel.

The programme also featured a pledge-taking ceremony for National Unity Day. The pledge was led by Mr. Satyadip Gowalla, Programme Officer of the NSS Unit, who encouraged volunteers to uphold unity, responsibility and harmony in their everyday actions.

The Day-3 event offered a thoughtful close to the pre-event activities and helped students connect with the true spirit of National Unity Day..
