REPORT ON PRIME MINISTER'S VIRTUAL INTERACTION UNDER "NASHA MUKT YUVA FOR VIKSIT BHARAT 2.0"

1 Date: 02/08/2026

2 Organized by: NSS Unit,
Darrang College (Autonomous),
Tezpur

3 Number of participants:
29 NSS Volunteers

The NSS Unit of Darrang College (Autonomous), Tezpur, participated in the Prime Minister’s Virtual Interaction organized under the initiative “Nasha Mukt Yuva for Vikshit Bharat 2.0” on 2nd August 2026. The programme aimed to engage the youth in the national effort to combat substance abuse and encourage young people to contribute towards creating a healthier, safer, and drug-free society.

The initiative focused on the growing importance of addressing substance abuse among young people and creating awareness about its harmful consequences. Substance abuse can adversely affect the physical and mental well-being of individuals and can also have serious consequences for families, communities, education, employment, and society as a whole.

The virtual interaction provided NSS volunteers and participating students with an opportunity to listen to the Prime Minister’s message on the importance of building a Nasha Mukt Bharat. The interaction emphasized awareness, responsible choices, self-discipline, and collective participation in preventing substance abuse. The youth were encouraged to understand the long-term consequences of substance abuse and promote healthy habits and positive lifestyles among their peers.

The programme also highlighted the important role of educational institutions and youth organizations in creating awareness about drug abuse. The participation of the NSS Unit reflected its commitment towards promoting social responsibility and supporting initiatives aimed at the welfare and development of young people.

The interaction further reinforced that creating a drug-free society requires the combined efforts of students, educational institutions, families, communities, government agencies, and youth organizations. NSS volunteers were encouraged to become responsible role models and spread awareness about staying away from substance abuse while motivating others to make healthy and informed choices.

The programme was closely connected with the broader vision of Viksit Bharat, as a healthy and productive youth population is essential for the development of the nation. The message of a drug-free youth was therefore presented as an important component of building a stronger and developed India.

The participation of the NSS volunteers provided them with valuable awareness about substance abuse and strengthened their sense of responsibility towards society. The programme encouraged them to carry forward the message of drug prevention within their college and local community and to support efforts promoting mental well-being, healthy living, and responsible citizenship.
