REPORT ON GENERAL MEETING OF NSS UNIT, DARRANG COLLEGE (AUTONOMOUS), TEZPUR

- Date : 3rd August ,2026
- Total participants : 26 NSS volunteers
- Organized by : NSS Unit, Darrang College (Autonomous) ,Tezpur

DESCRIPTION OF THE PROGRAMME

The NSS Unit of Darrang College (Autonomous), Tezpur, conducted a General Meeting of NSS Volunteers on 3rd August 2026. The meeting was addressed by the Programme Officer, who briefed the volunteers about upcoming NSS programmes, activities, and responsibilities. Emphasis was placed on active participation, discipline, teamwork, proper coordination, and collective responsibility.

A major focus of the meeting was the Bikshabandhu Scheme, which involves distributing plant saplings among students and encouraging them to participate in plantation and environmental conservation. The volunteers were informed about the registration process through the official website, collection and plantation of saplings, and the importance of taking proper care of them. They were also instructed to guide participating students regarding the submission of GI-tagged photographs and other required information through the website. The volunteers discussed ways to encourage student participation and ensure the smooth implementation of the scheme.

The Programme Officer also discussed other upcoming NSS activities and explained the expected roles and responsibilities of the volunteers. The meeting provided an opportunity for volunteers to clarify their duties, share suggestions, and strengthen coordination within the Unit. It concluded with encouragement for volunteers to take greater initiative and actively contribute to environmental protection, social service, and community development.
