Topic : Cleanliness Drive on Single Use Plastic

Date : 29th August 2026

Organised by : Regional Directorate, NSS, Guwahati
in collaboration with NSS Unit, Darrang College (Autonomous)

Venue : NEC Conference Hall, Darrang College (Autonomous)

Number of Participants:
Cleanliness Drive : 29
Swachhata Workshop : 154

The NSS Unit, Darrang College (Autonomous), in collaboration with the Regional Directorate, NSS, Guwahati, organised a Swachhata Activity under the Swachhata Action Plan (S.A.P.) on 29th August 2026 at the NEC Conference Hall, Darrang College (Autonomous). The programme was organised under the Government of India, Ministry of Youth Affairs and Sports, with the theme “Cleanliness Drive on Single Use Plastic.”

As part of the programme, a cleanliness drive was conducted in the morning within the college campus. NSS volunteers actively participated in the drive and undertook cleanliness activities across the campus, contributing towards maintaining a clean and hygienic environment. The activity also helped reinforce awareness about responsible waste disposal and the need to reduce the use of single-use plastics.

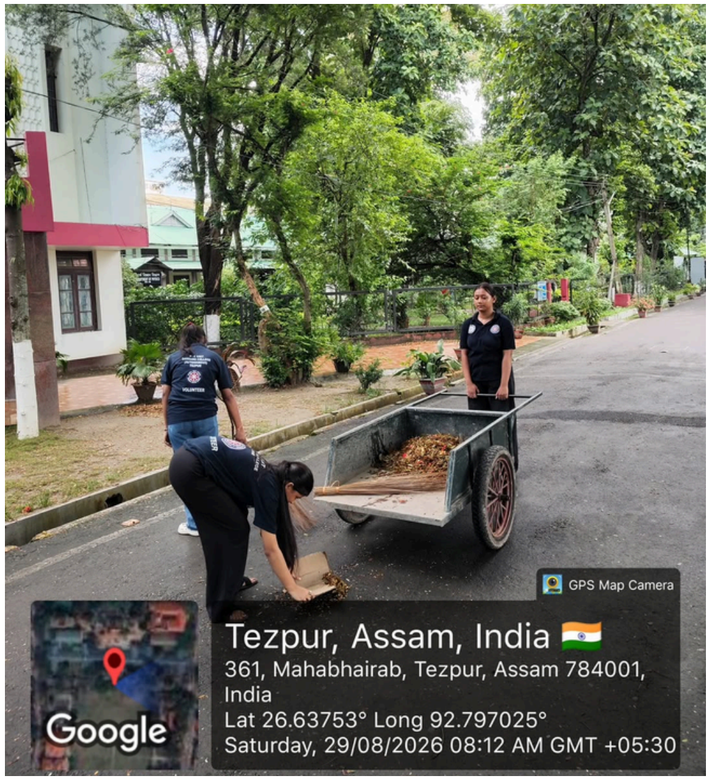

The main programme was graced by Mr. D. Carthigueane, Regional Director, NSS NER, Guwahati, and Mr. Nakul Chandra Deori, Youth Officer, NSS NER, Guwahati. Their presence and valuable guidance encouraged the volunteers to take meaningful steps towards cleanliness, environmental conservation and responsible citizenship.

The programme focused on the environmental concerns associated with single-use plastics and highlighted the importance of reducing plastic consumption, adopting sustainable alternatives and practising proper waste management. The volunteers were encouraged to carry the message of cleanliness and environmental responsibility beyond the campus and into the wider community.

As part of the programme, certificates were distributed to the participating volunteers in recognition of their involvement in the Swachhata initiative. Packet lunches were also provided to the participants during the event.

Cleanliness Drive

Swachhata Workshop

The programme concluded with a renewed commitment towards maintaining cleanliness and promoting environmentally responsible practices. The initiative served as a meaningful effort to strengthen awareness among the youth and encourage collective participation in building a cleaner, greener and more sustainable environment.
