

## Application of Museum Methods and its Organisation

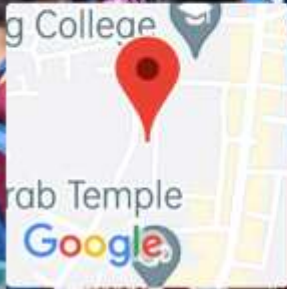

August, 25-26, 2022

Two days training session on 'Application of Museum Methods and its Organisation' was conducted in Darrang College (August 25-26, 2022). The training was undertaken jointly by the Zoology department of Darrang College and Directorate of Museums and Indigenous and Tribal Faith and Culture Department of Assam with the participation of more than hundred numbers of participants. The resource persons have demonstrated museum methods for curation and cataloguing of museum specimens. More than 65 students of Zoology have participated in the training program.
